

About HALO

For more than 5 years, the HALO Foundation has been improving the lives of children in need. HALO currently supports 13 orphanages and programs around the world for at-risk and orphan children. The orphanages HALO supports are in Uganda, Kenya, India, Mexico and Nicaragua. HALO also has learning centers for at-risk, homeless and foster youth in the U.S. For more information about HALO, visit www.haloworldwide.org or call 816.472.4256.

How HALO Started

HALO started with a group of kids from Lee's Summit, Missouri raising \$5,000 for an orphanage in need. Their next event raised more than \$40,000. It has been with the help of youth and adults who want to make a difference in the lives of children in desperate need that HALO is able to reach out to more than 500 orphan and at-risk youth around the world.

This is Your Chance to Help

Dance For Change is a dance-a-thon fundraiser that encourages “youth helping kids” and supporting HALO. The children in the orphanages HALO supports are known for their fun-loving spirits. Anyone who visits the homes gets a warm greeting with a dance performance. HALO will bring this spirit to your school/team/group. The HALO Dance For Change event is an unforgettable evening where HALO will bring videos from the orphanages around the world and Skype the children in while participants dance with each other. It will be a celebration of change in the orphans' lives. Change for the better. Teams will raise funds to provide food, water, shelter, clothing, education, art therapy and caretakers for the children. They will then celebrate team efforts at a fun-filled evening of five hours of straight dancing. Let the dance challenge begin!

How It Works

- 1 Participants can compete individually or be on a team of “dancers” no larger than 8-10 students. Each individual is required to find sponsors. On the day of the event, we'll dance for five hours and celebrate change in the HALO orphans' lives. *Schools/groups will determine the time limit for their event, for example 6 – 11 p.m.
- 2 Fill out the provided HALO packet and contact friends, family, co-workers, neighbors and others to sponsor. They may donate a flat amount or sponsor the participant per hour that is danced. For example, if your neighbor sponsors you with \$5 per hour, their donation would be \$25. Business sponsorships are \$250 and allows businesses to hang up a banner at the event. Each participant will be given the option to create their own online fund raising page that they can send to friends and family via email or Facebook.
- 3 Every participant must raise a minimum of \$25 or pay at the door to dance. Turn in all raised money at the door for volunteers to count your funds. Raffle tickets can be purchased at the door for awesome prizes. In addition, there will be HALO Shout Outs for \$1, which are messages read by the DJ to the crowd between songs (To, From and Message). \$5 HALO Shoutouts are also available via Skype from the kids at the orphanage to shout out to the kids at the dance. Top prizes will be awarded for those who raise the most money, in addition, a HALO Champion King and Queen will be announced as the top fundraising individuals. There will also be other surprise contest opportunities throughout the night.
- 4 Come to the Dance for Change event and DANCE! One of your team members must be dancing the entire time. The goal of the event is to raise \$20,000, benefiting HALO orphanages. We will have breaks and plenty of refreshments. Throughout the evening, there will be raffles, shout outs from the DJ, Skyping with the HALO orphans, video clips from celebrities, HALO merchandise for sale, contests and lots of fun!
- 5 At the end of the night, HALO will have a short presentation of prizes and celebration and announce the money raised at the event.
